I've asked the Willamette Partnership to send us a revised invitation letter showing the new dates of the meeting, so if you haven't submitted your new form yet, wait until I send you the letter (any day now). Also, there's an easy way to just have the form copy what you submitted last time – I can show you if you haven't found out how to do that already.

And I have two cars reserved – one for Christine & Chae who are only able to go the first day, and one for us to use both days.
